The editors of the 1956 Surveyor have attempted to give the student body a yearbook that is an accurate calendar of the school year. The pages of the book capture and mirror the many outstanding happenings that have occurred in the past year. To carry out the theme, the front and back fly-pages are a real calendar of the past school year.

ADMINISTRATION

Principal's Message

To keep pace in our fast-moving world is a difficult task today. You graduates who are on the threshold of adulthood, will soon be cast upon the sea of life. You will be expected to accept the responsibilities that adult life will place upon you. As you meet these responsibilities, the knowledge that you acquired here will be valuable in your striving toward maturity.

Here at George Washington the faculty and the administrators realize this need for preparing youth for its maturity, and through the educational and extra-curricular programs attempt to do this. The well-rounded student not only strives for scholastic excellence but seeks to better himself and his school through participation in school activities. Good sportsmanship and fair competition are not limited to the athletic field, they are constant qualities by which one can make himself a better person.

O. I. SCHMAELZLE, Principal

Mr. O. I. Schmaelzle and Angie Muscat, 1956 Editor, discuss the yearbook

The Surveyor is o record of the school yeor. The students of George Woshington High School creote o chopter of thot record every doy of the yeor. They creote it in the clossrooms, in the corridors, on othletic fields, ond in their homes. A new chopter is written ot eoch ossembly, ot eoch club meeting. Eoch oction of every student, whether it be eoting lunch ot o neighborhood creomery or tolking with friends under the Deod Indion, becomes o port of the George Woshington record. By their octions the students odd brillionce to the record, or they tornish it.

The writing of the record does not ceose with grodvotion. Fifteen students ot Stonford University ond 56 students ot the University of Colifornio this yeor wrote George Woshington history.

Moy oll of us do os well os those who hove gone before—not only in ocodemic ochievement but in the doily proctice of honesty, integrity, ond compossion.

I hove not been o Woshingtonion for very long, ond perhops I om not yet o quolified judge; but the yeor seemed to me to be one of fine occomplishment. You mode the record. I feel privileged to hove been here while you mode it.

K. V. CASTELLINO

The Eagles and the G.S.S. are two of Washington's oldest service societies for they were both started when the school first opened. The G.S.S. members are elected on a basis of scholarship, service, citizenship, teachers' recommendations and attitude toward the school. Members of the Eagles are elected into the society in a similar manner. The Eagles patrol at rallies and at lunch time while the G.S.S. perform the same services in addition to ushering at various school functions. The members of these societies earn this honor and as such are the outstanding students of the school. The G.S.S. is sponsored by Miss Green while Mr. Castellino sponsors the Eagles.

Fall Class History

Led by their sponsor, Mr. Edwin Knopton, the graduating class of Fall 1955 made many contributions to Washington.

As low sophomores they collected money to buy shrubs and flowers for the school grounds. The next term they brightened the school by painting the trash cans.

As low juniors their May Festival cable car booth won first prize as the most original booth. The whole class worked hard to make their Junior Day, "Come to the Mardi Gras," and their dance, "Mardi Gras Magic," a success.

Finally came the important senior year. Their May Festival booth again won first prize. They hosted the "Senior-Soph Sporty Sock Swing." The class turned Irish for their Senior Day, "Erin Go Broth."

Commencement exercises were held on January 25, 1956.

For three years this class worked on a secret project. Making gavels for the class presidents was their project.

Spring Class History

Through the capable direction of two wonderful sponsors, Miss Ruth Oakes and Mrs. Margaret Denny, the class of Spring 1956 completed its three years at George Washington.

Miss Oakes guided the class through a very successful sophomore year. Mrs. Denny kindly accepted the sponsorship of the class in its busy junior and senior years.

Junior Day brought the "Spring Sports" show and the Junior Day Dance, "Spring Fever," to the student body. The beautiful Terrace Room of the Fairmont Hotel was the scene of the Junior Prom, "Stardust Melody."

Senior Day brought together the best entertainment the class had to offer in a magnificent stage show, "It's a Most Unusual Day." The following evening the very successful Senior Day Dance, "It's a Most Unusual Night," was presented. The romantic Senior Prom, "Unforgettable," was held in the Colonial Room at the St. Francis Hotel.

Many memorable experiences were brought to a close with commencement exercises on June 14, 1956, at the Opera House.

FALL

The Foll Low Senior Closs storted the new term off with o bong, when ofter o long summer vocotion they got right bock into the swing of things with the P.T.A. Membership Drive. Although not enough tickets were sold in the time olloted to breok o **time** record, the closs continued the drive until they broke o record of **membership.** The P.T.A. Dinner wos o sell-out! Turkey wos the success ond those thot helped cleon-up, sow thot not one piece of meot could be found onywhere.

The Low Senior girls served ot the Foll High Senior Breokfost ond were seen shouldering red cornotions oll doy.

With o closs of over 500 there could not possibly be o lock of tolent or energy. This closs hos olwoys felt thot their mony successes were due partly to Mrs. Denny, their sponsor, who wos olwoys willing to help them in onything ond everything they undertook.

The Low Senior Class

SPRING

After completing o very successful High Junior Term, the Low Senior Closs of Spring 1956 wos more thon onxious to reoch higher ploteous. New ideos seemed to "pop out of thin air." Who soys o Low Senior Closs doesn't work? This closs hod o conglomerotion of busy beovers, oll working together horder thon ever before to help their closs.

Mony of the girls of this closs contributed to the success of the High Senior Breokfost by offering meticulous service ond high spirit os ossets to the occosion.

Keeping up the school history kept this closs busy during their Low Senior term. The smoll closs wos indeed proud of their three celebrities, John Keller, Student Body Treosurer; Suzie Kobuchi, Student Body Secretory, ond Gus Petropoulos, Student Body Second Vice-President.

Mony thonks go to Mr. Edmond, closs sponsor, who hosn't olwoys found it to be eosy to monoge o **small** closs.

FALL

Another term with onother High Junior Class meant another Juniar Doy Show, Junior Doy Donce ond Juniar Pram. The High Juniar Class af Foll 1955 enjayed and exhausted themselves completely. With anly o few weeks ta prepare their shaw ofter a lang summer vacatian, the class led by President Dove Framm met with success!

Energetic lads and lassies arase bright and eorly each marn ta practice, practice and practice. Directar John Keller kept his whip gaing cantinuously with cracks that came out hysterical!

The final praductian was entitled "What It Was Was Faatball," a dedicatian ta the spart. The donce was disguised under the following—"The Kickaff," and the memarable pram wos "Whispering Leoves" held ot the Empire Raam in the Sir Francis Drake Hatel.

With accomplishments scaring successes this class of a limited number shauld be indeed proud of themselves.

The High Junior Class

SPRING

The High Juniar Class af Spring 1956 started early in the term ta pack their bags for a jaurney to Greece. Their Junior Day Shaw, skillfully directed by Phil Fisher, was entitled "Olympic Haliday." Decorotians at the Juniar Doy Donce were fobulous. The Junior Prom, "I'll Remember April," held ot the Colanial Raam in the St. Francis Hatel, kept closs members remembering April for weeks after.

Prexy Dan Saloman was seen anywhere and everywhere during the busy term, supervising everything! Appreciation is extended by this closs ta Mrs. Hedtke, closs spansar, wha was always willing ta lend a helping hand.

The success af this term wos due ta each and every member of the closs wha praudly taok part in the **many** octivities. Besides having the usual turmail af a High Juniar term, this class successfully fulfilled their obligatians during the May Festival with their baath.

FALL

As is customary for the low junior classes, the project for the term was sending Eagles ta servicemen who are ex-Washingtonians. The project proved worthwhile as shown by the many "thank you" letters received from the servicemen.

President Morry Bobrow was really an his toes during this term, for committee heads and various chairmen were already being chosen for their coming High Juniar term when endless haurs would have ta be spent to produce a good show.

Caral Klingaman and Jean Thompson made their class praud af them by keeping up schoal spirit at games as "peppy" song leaders. Len Slater, being assistant yell leader, made everyone root for the home team!

The class found that everything they did was done successfully due ta the fact that everyone participated eagerly in class functions.

The Low Junior Class

SPRING

No one could ever say the Law Junior Class of Spring 1956 isn't flowery. The May Festival Booth of this bloaming class was "Flowers!"

The term project of this fragrant class was sending "Eagles to Servicemen." The class members made this praject a rip-roaring success!

Keith Miyamoto kept sprinkling his fellaw "buds" with a spirit of zest and zeal. With his canstant care and guidance the class enjoyed their Low Junior term immensely.

Plans were started for Junior Day. This class was really on their toes, for they even chose their director, Ron Weinshenk, in advance.

FALL

Doing good deeds for others is self-rewording. Thot is whot the High Sophomore Closs of Foll 1955 found out. The closs project consisted of collecting pocketbooks for the servicemen ot Lettermen Hospitol. This wos the Christmos gift of the closs to the wounded men. The gool wos set ot 600 but os could be expected, it wos more thon doubled! The closs enjoys working together.

There wos never o dull moment during this term for the members of this closs. The pointing of the gorboge cons in the cofeterio of George Woshington High is onother result of the spirit of hord work which seems to overflow in this closs.

The inexhoustible get up ond go power which seems to be ever-present in Archie Ossin, closs president, leoked through to the rest of the members of his closs. The closs feels thot without the guidonce of Mr. Ewing, closs sponsor, they could not be os proud of themselves os they ore.

The High Sophomore Class

SPRING

Corrying over their project from their preceding term, the High Sophomore Closs of Spring 1956 vigorously tocklled the londscope project. With good weother os on oid ond under Mr. Wilson's "green thumb" the closs wos able to plont mony things.

The closs did not stop ot londscoping. They continued to work on mony different octivities. Among these, the closs formed o poster committee which mode posters contoining constructive informotion, such os those teoching students to use the correct stoirwoys.

Prexy Jim Butt hod the support of his entire closs, ond the closs wos indeed fortunote to hove such o diligent worker.

To be port of the "crowd" wos Mr. Jones' oim ond this he fulfilled. As closs sponsor, Mr. Jones hod his shore of heodoches ond victories. The students feel close to Mr. Jones ond he to them. Thot is the recipe for hormony ond success!

FALL

"Rain, Rain, ga away, come again another day." That was the sad refrain heard coming from the Low Sophomore Class of Fall 1955. Collections for the landscaping project came thorugh with "flying colors," but the constant interference of "ale man weather" prevented the class from planting the various plants they had purchased. Every time Mr. Jones and his crew of gardeners, among them Mr. Wilson and co-chairman Elliot Steinberg and Art Moriguchi, went aut to plant, the clouds burst open and down came the rain, rain, rain!

Prexy Jim Stokes did nat let this hinder the spirit of his class. Wherever one looked, a law sophomore with a cheery smile could be found.

The Low Sophomore Class

SPRING

Getting acquainted with a new school is not always such an easy thing to do. Hawever, nothing could stand in the way of the Low Sophomore Class of Spring 1956. Mr. Hannah, class sponsor, got the "young blood" af the school off to a terrific start!

The first twa days were hectic for this class. Within a week there was not a member of this class who did not knaw what he was daing. This praves that these students will be ready to meet all emergencies.

Landscaping callectians began right away and the results were magnificent. A calorful time was in stare for this class as the annual May Festival was held during their first term at George Washington.

President Norman Gong instilled within his class an air of excitement for he was always seen doing something.

This class has what it takes and should be congratulated for making such a fine start in their schaol life at George Washington High.

Unlimited Football

The Eagles began the 1955 football season on the right foot by upsetting Mission in the season's starter. Mission, the 1954 A.A.A. champions, were favored by two touchdawns, and the Bears, as expected, scored in the first few minutes of play.

Washington, with the help of Jefferson's rugged defensive playing, Saunder's effective blacking and Sachor's thrilling 90-yard run, was able to bottle up Mission's defense, outplay them offensively to leave the field victoriaus.

Washington's second game with S. I. ended up in a draw game, and at that time in the seasan the Saint Ignatius "Kittens" were amang the top three teams.

As usual S. I. made their small but consistent gains by smashing drives thraugh the center and around end. Washington, as expected, taak to the air, but unfartunately failed in campleting any decisive passes.

It seems that no matter how strang a team Washingtan may have they just can't beat Lincoln, and their 1955 loss was the eighth in a row. Lincoln's defeat over the Eagles was largely because of their successful passing attack and the more weight packed an the line.

Washington's defeat over the Irish kept them in the A.A.A. grid race. It was Jimmy Sachor who saved the game far Washington by pulling the sweetest play you'll find anywhere. He pulled the most beautiful little stunt out af his bag of tricks, and evaded the two blackers ta bring down Bowman with just a few yards to spare. It was this spectacular move that enabled the Eagles ta edge out the Irish.

Washington's game with Galileo caused a temparary morale lapse. The Eagles lost to a team that hadn't wan a game in two years. They lost by a fantastic score.

The Lawell game is the most "looked forward to" athletic event that Washington has. However, Lowell was able to keep their three-year-old promise to edge the Eagles by two points.

The Balboa Buccaneers sailed to a victory over the Washingtan Eagles at their stadium. This lass put the Eagles completely and hopelessly out of the playaffs.

Washington wound up the seasan by losing to the ald prep prince. The Eagles gave them an unexpected tussel, and led for the first three quarters. Washingtan reached their zenith in the last game, but they still lost to the Poly veterans in the last quarter.

Junior Football

The J. V. season this year ended with 2 wins, 2 ties and 4 losses. The team played their first game against Saint Ignatius and tied 26-26.

At the end of the third quarter, the score was 26-0, Lincoln's favor. With two minutes remaining, Washington was on Lincoln's 20-yard line. Mike Stinger threw a pass to left end Eddie Bradley, who went into the end zone, making the score 26-6.

Only seconds remaining, fullback Ernie Forks went for three yards and a TD. Mike Stinger passed to Bob Haynes for the extra point, making the score 7-0 at the end of the half. The game ended: Washington J. V.'s 14, Poly J. V.'s 6.

Our J. V.'s bowed to a strong Balboa team, 13-20. Defensively outstanding players were Ernie Forks and Ted Sekino.

The Eagles went down to defeat at the hands of the Indians of Lowell, 6-13. It was "fullback day" as fullbacks Ernie Forks and Calvin Murray ran wild. Forks ran a kick-off back 80 yards for a TD. He also ran for a 60-yard touchdown on a reverse. Murray also scored on a reverse good for 60 yards.

The Eagles won the other game by beating Galileo, 32-14. They tied to Mission 6-6 and lost to Sacred Heart 7-0.

Outstanding players were Stinger, Forks, Haynes and Murray.

ST. IGNATIUS

The Eagles dominated the entire game and went on ta win 9-1. The Eagles scored goals at every opportunity and played a superb defensive game.

POLY

The Eagles were tied in this game, in the last minute, 1-1. This game was another of the defensive battles that highlighted the seasan.

LINCOLN

The soccer team won this one 5-0. The Eagles scored three goals in the first quarter and were never headed. The Eagles again showed superior defense.

GALILEO

The Eagles tied this game 0-0. The game was hard fought and inspired defense was the keynote. There was a strong wind that bothered both teams. Bath Washington and Galileo had many chances to score, but because af the outstanding play af both goalies there wasn't any scoring.

BALBOA

Another close defensive game, but the Eagles gunning for the playaffs won 3-1.

LOWELL

The Eagles lost a close hard-fought game to the Indians 2-1.

MISSION

In anather tremendous defensive struggle the Eagles tied Mission 2-2.

PLAYOFFS

In the first game af the playaffs the Eagle booters played Mission. In this game they got off to a quick start by scaring four gaals in the first quarter. After that they scored one more and went on ta win 4-0.

Washington's varsity bosketball team waund up a very successful raund-robin seasan in a tie far first place, but o lass ta Paly in the playaffs drapped them ta a finol third pasitian. The team, under new caach Jahn McGrath, entered the A.A.A. seasan with a 7-3 recard in practice games.

The Eagles opened their seasan against the Galilea Lians and defeoted them by six paints in a close, exciting gome.

Every game with Lawell is exciting, and this year's was na exceptian. The Eagles were the stranger teom in the first half, but in the secand half the tide turned.

A large crawd af Washingtan raaters made the long jaurney ta the City Callege gym, and saw the Eagles dawn the Irish easily, 65-41.

The Lincaln game was the last for veteran Stan Rasenburg, a mid-seosan graduote, and the team clicked aff a 44-33 win aver the unlucky Mustangs. Never behind fram the start, the Eagles turned an the pawer in the second half and pulled awoy.

The Eagles drapped their secand game af the seasan to a spirited Paly teom. Althaugh five points behind at the half, the Parrats clased strangly.

Bauncing back fram the Paly defeat, the Eagles drapped Missian. The Bears gat aff ta an early eight-point lead, but the Washington defense stiffened ta hold the Bears to ane paint in the secand quarter, and the autcame was never in daubt after thot.

By the time the Saint Ignatius game ralled araund, everyane wos saying that the Wildcats cauldn't be beaten—that is, everyone except the Eagle varsity, and they praved they were right by slipping by the Wildcots in a thriller.

The Eagles waund up a very successful seosan and warmed up far the playaffs by sinking Balbaa's pirate fleet.

Shartly before the end af the seasan, it was annaunced that Lawell wauld have ta farfeit three af its games far using an ineligible player. One af the games was with Washingtan, and this game wos naw caunted os a win far the Eagles. This enabled them ta finish the seasan in a tie far first place with the Saint Ignatius Wildcats.

In the play-aff game the Eagles met Paly, and ance agoin the Parrot pawer praved taa much. Poly stale the ball several times fram the hands af Washington ployers, and connected an 45 per cent af their shots. This lass eliminated the Eagles from the playoffs. It wos the lost game far seniars Mann, Merriouns, Geargeades, Prusaff, Eggert, Cafield, and Waterfield.

130's Basketball

Washington's talented 130-pound basketball team went all the way this year and took the city championship. The Eaglets lost only one game during the entire season, their first, under new Coach Athanasopoulos.

The 30's opened their season by notching up their 18th win in a row at the expense of the Galilea Lions.

Lowell's Papooses never had a chance against the red-hot Eaglets, and they were defeated by 37 points. At one point in the game the score read 18-1 in favor of the Eagles.

Against Sacred Heart, it was the same story. The previously unbeaten Irish were no match for the sharp shooting and great defensive play of the Washington team. It was number 20 in the Eaglets' win streak.

Lincoln proved to be one of the most difficult teams that the Eagles had to face all season. In a close exciting game whose outcome was in doubt until the last minute, the Eaglets eeked out a three-point win.

If the Lincoln game could be called exciting, the Poly game was nerve-racking. The lead changed hands many times, with never more than six points separating the two teams. With the score tied and about one second to play, forward Erral Hall drove downcourt with the ball, and took a last second shot. As every spectator at Kezar held his breath, the ball dropped through the net to the sound of the game-ending buzzer.

Continuing their winning ways, the 30's racked up number 23 by defeating the Mission Bearcubs. Free substituting by Coach Athanasopoulos gave the first string a rest, and they came out fresh for the second half and downed the Bearcubs easily.

The Saint Ignatius 30's game was overshadowed by the approaching clash with the Wildcat varsity, but it was an exciting game nevertheless. The first half was close and hard fought, but an inspired Eaglet squad showed their championship potential in the final quarters and racked up a 13 point win.

Balboa's hapless Buccaneers were just no competition for the Eaglets. Almost every player on the bench got into the game, which was the last of the regular season.

The Eaglets drew Sacred Heart for their first semi-final game. The game was close for three quarters, and the lead changed hands several times. However, quick buckets at the start of the fourth quarter by Mike Paull and Erral Hall put the Eagles out in front and they won by 10 points.

When you stretch something too far it breaks, and this is true of basketball win streaks, too. Lincoln's Mustangs upset a cold Washington team by nine points in what should have been the championship game. The loss broke the Eaglets' 26-game win streak, but because they had won the round-robin championship, they had one more chance against Lincoln. The second Lincoln game was played four days later. It was now or never for the Eaglets, and they played like a different team. The Eaglets downed Lincoln by 26 points and took the A.A.A. championship.

120's

This year George Washington's 120-pound basketball team won their fifth championship in nine years. The majority of the boys were new and had very little experience, but Harry Chew led the squad to victory with 64 points for the season. While Mel Wilson was not very far behind with 62.

They were ably coached by Mr. Alex Athanasopaulas. The starters on the championship team were: Mel Wilson, Ted Wyatt, Victor Camagun, Cliff Chinn, and Harry Chew. These boys were proclaimed the round-robin champions with a record of 8-0.

110's

The end of 1955 lightweight basketball season found Washington's 110's in fourth place, but were still rated one of the top teams in the league. Coach Athanasopaulas stated that he was impressed with the way these boys worked so well together as a team. With many leading scorers carrying the burden and the stalwart rebounding of Norris, the Eaglets proved to be too much for four of their opponents. The team had a 4-4 record for the season.

Starters for the 110's included Chris Norris, Bob Low, Earl Smith, Jerry Honda, Ralph Mathis, and Paul Shiota.

Swimming

The Spring 1956 Eagle Swimming Team was one of the finest Coach Odane has coached in his years at Washington. The varsity came out of the season with a 14-8 record. Most of the meets that were lost were due to the teams not at full strength. The 130's also had a successful season with 18 wins and only 4 losses. The 120's had less meets out-of-town and thus had a smaller record. They ended up finally with a 13-2 record.

The mermen opened the first league meet with Poly at Fleishhacker's Pool. The Parrots couldn't seem to swim and the Eagles wan 68-8 in the varsity, 52-4 in the 130's, and 48-8 in the 120's.

The Eagles prevailed in the next meet by beating Lowell 57-19 in the varsity, 35-22 in the 130's, and the 120's took their division 30-27.

Balbao's Pirate ship was sunk by the Eagle second team, while the first club had an out-of-town meet. The Pirates drowned 62-15, 44-11, and 52-3, in the varsity, 130's, and the 120's, respectively.

The Lions of Galileo were no sweat and our frogmen won, 55-22 in the varsity, 52-0 in the 130's, and 44-12 in the 120's.

The Bears couldn't swim so Mission forfeited.

The Cats didn't like the water either and lost 53-25 in the varsity, 39-18 in the 130's, and 36-21 in the 120's.

Lincoln did it again. The last meet of the season Lincoln downed the varsity (the Eagles' only league loss), 37-40. The 130's came back 45-13 and the 120's won 46-12.

The Eagles went on to win the championship in the All-City varsity and 130's over a strong Lincoln squad.

INGRID LEVIN
Fall Editor

Fall Staff Chief, Ingrid Levin, and Spring Chief, Gail Groza, along with their able "super-dooper news snoopers" and under the wonderful advisorship of Mr. Wire, tried to bring you a school newspaper you would enjoy and be proud of.

The "Eagle," although managed the same as a city paper, is not printed at Washington.

Work on each issue actually starts about three weeks before the paper comes out. The page editors decide on their "copy" and make their

page "layouts." Making a page "layout" is not as easy as it sounds, the third page editors for both the Spring and Fall terms would surely agree. Articles and feature stories are assigned, pictures are taken for some pages, and then the work—and fun—begins.

Although Room 228 is always buzzing with excitement, all the hard work always gets done.

The Staff has tried its hardest to bring you a newspaper you would enjoy reading. Hope you did!

The happy sport staff. They're very athletic. From left to right are Chuck Dresow, Bob Robertson, Judy (Prep) Kagan, Marv Mizis, Dave (Sporty) Smith, Angie (Prep) Muscat, and Irene (Bloomer Gal) Chulkoff.

The Surveyor

ANGIE MUSCAT
Editor-in-Chief

The Surveyor's copy writers are Treasure Meyers, Genny Worner, Arlene Cooper, Bev Bauer, and seated, Em Devincenzi.

The only people who know what hard work has been put into this yearbook are the members of the Surveyor staff, who started early in the fall semester to prepare the book for June. This year's editors have been Angie Muscat, Editor - in - Chief; Helen Benthen, Administration; Myrna Hanig, Student Body; Judy Kogan, Activities and Organizations; Doyanne Shinn and Natalie Hoogasian, Seniors; Jackie Torantino, Sports.

The process of making the book is a long one. The "dummy," in which all the ideas go, is arranged, and the "layouts" are posted on each page. When a cover for the yearbook is designed and chosen, another important step is completed. Then all the pictures are taken: high seniors, class and student body officers, clubs, and organizations.

This is your book. The editors hope that every member of the student body enjoys it and that it brings back many fond memories in the years to come.

This is what we call a "paste up." These busy girls are Irene Woo and Karen Voss.

Handling the business management of the yearbook are Helene Gordon, Genny Worner, Marian Rauschkolb, Nancy Casker, Cris Karmine, and Irene Chulkaff.

Em Devincenzi and Jackie Tarantina are the lucky girls surrounded by sport staff writers George Fanucchi, Paul Cervelli, Dave Smith, Lauren Parrott, Marv Mizis, Dick Dehn and Chuck Dresow.

Washingtanians are very busy people, participating actively in the many organizatians and clubs that have become an impartant part af schaal life. You'll Have to Make a Choice Pretty Soon . . .

Will you settle for any old job, or are you setting your sights on a career in business? If you're looking for something more than just a weekly pay check, here are a few tips to help you find it:

1. Pick a good company . . . Metropolitan Life enjoys an outstanding national reputation. Here you can broaden yourself both culturally and socially.

2. Choose a job with a future . . . Metropolitan Life follows a policy of advancement from within. You may start in a general clerical capacity depending on your ability and training for such positions as: General Clerk, Key Punch Operator, Typist, or Beginning Stenographer. Starting salary is $215 per month.

3. Look for pleasant working conditions . . . Metropolitan Life's building is modern and well kept. Attractive lunchroom and lounge—a comfortable place to relax after an appetizing meal as guest of the Company. 5-day, 40-hour week all year round with liberal vacation schedule. Athletic and other recreational groups.

4. Insist on security . . . Metropolitan Life provides Life, Sickness, Accident, Hospital and Surgical, Medical Expense Insurance and Pensions. A well-equipped medical service helps you stay physically fit. Employment is steady in good times and bad.

Lots of happiness Roy Cecilia M. Keehan
